Safety Data Sheet

Product: Non-Toxic Nozzle Gel

Part 1: Identification of the Substance/Mixture and of the Company/Undertaking.

Identification 233/PB

Product Use Description: Used to clean surfaces you do not want to get wet.

Trade Name: Absorene Non-Toxic Putty Wallpaper and Paper & Book Cleaner

Manufacturers Name: Absorene Manufacturing Company, Inc..

2141 Cass Avenue

St. Louis, MO 63106 USA

Emergency Telephone Number: 314-231-6355

Part 2: Hazards Identification

Symbol: None

Signal Word: None

Emergency Overview:

Pink, odorless, putty. This material is subject to no hazardous decomposition or hazardous polymerization.

Exposure routes:

Eyes, Skin Contact, Inhalation, Ingestion.

Eye contact

Slight irritant. May cause redness.

Skin contact

Slight irritant. Repeated contact may cause drying of skin.

Inhalation

No health effects anticipated with the breathing and inhalation of vapor.

Ingestion

Slight irritant. Unlikely route of entry. Drink water. No first aid measures required

Chronic Effects:

No known chronic hazards. Not listed by NTP, IARC or OSHA as a carcinogen.

Physical Hazards:

None

HMIS Rating (U.S.) Health 0, Flammability 0, Reactivity 0

NFPA Rating (U.S.) Health 0, Flammability 0, Reactivity 0

Part 3: Composition / Information on Ingredients

Hazardous Ingredients	CAS No.	OSHA PEL	ACGIH TLV	LD50	LC50
None					

Part 4: First Aid Measures

GHS: Subcategory 2B

Eyes

Check for and remove any contact lenses. Flush with water for 15 minutes. Seek medical attention if irritation continues.

Skin

After contact with skin, wash immediately with plenty of water. If irritation persists, seek medical attention.

GHS Category 3

Inhalation

Not Applicable. No health effects associated with inhalation.

Ingestion: If swallowed do not induce vomiting. Seek immediate medical attention.

GHS Category 5

Part 5: Fire Fighting Measures

Flammability Classification: Non-flammable.

Means of Extinction: Use NFPA Class B extinguishers, CO2 or dry chemical.

Fire Fighting Instructions/Equipment: Wear self-contained breathing apparatus pressure demand.

Flash Points: None

Auto-Ignition Temperature: Not Applicable.

Hazardous Combustion Products: Mineral Spirits - less than 1/10%.

Part 6: Accidental Release Measures

Small spill cleanup:

Collect all spilled material and place in a waste container. Seal and label the container as waste. Dispose of in accordance with local, state and federal regulations. Keep out of reach of children.

Part 7: Handling and Storage

Handling

Do not get in eyes, use gloves to avoid irritation. Keep container closed. Promptly clean up spills. Wash thoroughly after handling.

Storage

Store in normal temperatures below 85°F (29°C). Avoid freezing or direct sunlight. Keep container tightly closed.

Part 8: Exposure Controls / Personal Protection

Engineering Controls:

Use with adequate ventilation.

Skin Protection:

Wear protective clothing and gloves for repeated exposure.

Eye Protection:

Wear chemical goggles if you choose.

Part 9: Physical and Chemical Properties

Physical State :	Putty
Odor and Appearance:	Pink
Specific Gravity (H2O=1):	1.00 (1 lb./15 oz.)
pH:	6.0 – 9.2
Boiling Point:	212°F
Freeze Point:	32°F (0°C)
Vapor Pressure:	(mm Hg and Temp): 17.6mm Hg @20°C
Vapor Density:	Not Available
Volatility:	Not Available
Density	1 lb/ 15 oz
Solubility in water:	Complete
VOC's	4.0%

Part 10: Stability and Reactivity

Stability

Stable

Conditions to avoid

None Known

Polymerization Will

not occur.

Part 11. Toxicological Information

Routes of Entry: Eye contact. Skin contact.

Toxicity to Animals: LD50: Not Available.

Carcinogenicity: No ingredients known to be carcinogens.

Reproductive Toxicity: Not Applicable

Teratogenicity: No effects determined.

Mutagenicity: No effects determined.

Part 12. Ecological Information

Acute Data:

The organic portions of this product are biodegradable.

Part 13. Disposal Considerations

Disposal Method: dispose in accordance with federal, state and local regulations.

Part 14. Transport Information

This material is Non-Hazardous (Per 49 CFR 172.101) by the U.S. Department of Transportation.

Proper shipping name: Cleaning Compounds

This material is not regulated as a hazardous material.

UN Proper Shipping Name: Not Applicable

Hazardous Class or Division: Not Applicable

UN Number: Not Applicable

Packaging Group: Not Applicable

IMDG: Not regulated

Part 15. Regulatory Information

U.S. EPA SARA sec. 311/312 Hazard Categories: Not Hazardous.

Canadian WHMIS Status: This product is not considered to be hazardous as defined by Canadian WHMIS Controlled Products Regulations.

This product contains no chemical components which are known to cause cancer, reproductive toxicity or birth defects.

Part 16. Other Information

Absorene Manufacturing Company, Inc..

2141 Cass Avenue

St. Louis, MO 63106 USA

Disclaimer of Expressed and implied Warranties:

The information presented in this Safety Data Sheet is based on data believed to be accurate as of the date that the Safety Data Sheet was prepared. No responsibility is assumed for any damage or injury resulting from abnormal use or from any failure to adhere to recommended practices as specified on the label copy.
